Dear [Redacted]

STAT

It is my pleasure to acknowledge your note of 15 October to Mr. Lundahl who is presently at [Redacted]. We are all happy to learn of your satisfaction with your new surrounding, but we regret acceptance of your final termination in keeping with your own sentiments.

STAT

I feel certain you are aware of the fact that Mr. Lundahl and I, together with numerous other friends of yours in the building, greatly enjoyed working with you and appreciated the spirit and manner in which you applied yourself to the many and varied tasks that were yours to perform. We will continue to remember such pleasant associations and look for the opportunity to renew them whenever you visit Washington. I am sure you can plan such visits readily with that plush white convertible Impala that you breeze about in on the streets of Cocoa Beach!

Be sure and keep us posted on your activities [Redacted] and we wish you every success in your new work.

With best regards,
